ELECTROCHEM SILICONES LTD

## Siloflow™ Silicone Tubing for Peristaltic Pumps

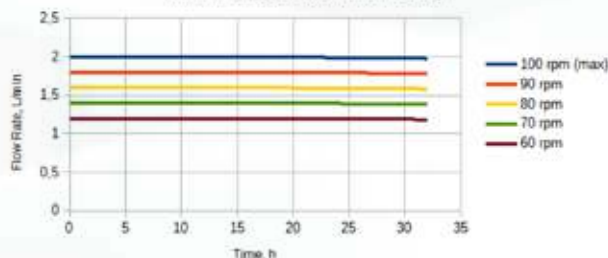

- Absolute Reliability
- Constant Flow
- Meets all ISO 10993 & USP Class VI criteria
- Inhibits protein binding and bacterial growth
- Increases pump's life; non tacky outer surface
- Inert molecular structure for zero extracts to the fluid
- No failure during pumping

Siloflow PPI Silicone Tubing

Platinum Cured, Double Network Density
